

New Image Consulting Service

The Modern Matchmaker, Inc. is proud to introduce a new Personal Stylist and Image Consultant Resource for our members – *Simply Over The Top*. Together, we are offering members of The Modern Matchmaker a special *Refresh and Renew* package. This is an optional package available to clients that prefer to have an “updated look” and feel more comfortable with themselves as they begin dating. Even the most fashionable sometimes prefer a fresh, new look to stay timely, yet sophisticated.

Through consultation and personal shopping experiences, Chad Pysher, owner of *Simply Over The Top* will help you discover a distinctive contemporary style that mirrors your personality. Chad will personally guide you in discovering what is already fabulous about you, your style and making it even better, with a classy fresh modern perspective.
